

**Dear Borrower,**

Before renting my Camera & Lens equipment's, please read the below-mentioned Terms & Conditions for a Hassle-free experience

### **Terms & Conditions**

The equipment & gear available on rent are **strictly owned by Ashish Tirkey** and cannot be replaced or exchanged or traded. The borrower needs to provide ID proof before hiring them.

The borrower is solely responsible for equipment safekeeping, careful handling and usage. He/She shouldn't allow or share it with family, friends, kids and the third party personal

Once the equipment is taken, the borrower is solely liable for any damage and loss, so please make the following **CHECK** before hiring

- Equipment/Gear switches, buttons, battery, shutter, scratches if any
- Lens glass, Rear camera, Play screen etc.
- Take sample photos & review
- Dust in the Sensor check
- Memory card, Accessories if provided with the equipment/gear

### **Important Tips for Handling Camera & Lens**

- Always **hold** the camera & lenses **carefully in hand**
- **Do not keep it in the Jeep seat** while on safari, instead always **hold it in your lap with your hands above** for safety and sudden bounce
- Take photographs once the vehicle stops without losing your balance and stance

### **Loss & Damage of Equipment's rented**

- For any equipment **damage, loss, breakage, or failure** during hiring, the **borrower needs to pay all the cost of repairing, parts replaced and service charged** by the authorized service center.
- The bill raised from the Service center has to be strictly paid by the Borrower Only.

**Declaration:**

I hereby, declare the information provided above have been read by me and I would follow the terms & conditions mentioned. Any loss, damage or breakage after taking it is my personal responsibility to bear and to be paid.
